

Sharing Developmental Concerns with Parents

Overview

This workshop is suitable for those working in Early Learning and Care and School Age Childcare in supporting their role in communicating developmental concerns about a child with their parents. This may also be of interest to Childminders.

Early years educators are well placed to be a support for parents when there are developmental or behavioural concerns for a child attending an early years setting. It is crucially important that these concerns are shared with parents and acted upon in a timely manner.
