

Understanding Young Children's Behaviour in Early Learning & Care

Overview

This workshop is suitable for those working in Early Learning and Care and School Age Childcare, interested in learning more about supporting children's social and emotional wellbeing. This may also be of interest to Childminders.

The aim of this workshop is to support early years educators in considering the factors that influence children's behaviour and to see behaviour as communication. Understanding children's behaviour is key to supporting young children's social and emotional wellbeing. This is an area of practice that early years educators strive to understand and implement quality practices to support children in their care.

Method & Materials

Duration:

2 hour webinar, 3 hours in-person workshop

Format:

Webinar or Workshop

Group size:

30 participants per training

The workshop will involve a presentation and a question and answer session. Participants receive a Certificate of Attendance.

Outcomes

Following the workshop, participants will be able to:

- Describe why it is important to understand young children's behaviour
- List factors that influence young children's behaviour
- Recognise children's behaviour as communication
- Identify strategies to support the social and emotional well-being of children
