

Bereavement Training

"Children don't get traumatised because they're hurt; they get traumatised because they're alone with their hurt." Gabor Mate

Supporting Children Experiencing Traumatic Bereavement

This Barnardos Children's Bereavement Service training aims to equip professionals to recognise and respond to children who have experienced traumatic bereavement.

Zoom training: 2 sessions of 90min

Group size: up to 25 Bespoke options available.

Contact: bereavement@barnardos.ie

After this training you will:

- Feel familiar with the range of needs of bereaved children, and parents/carers
- Recognise both trauma and grief in children, and how they can intersect as traumatic grief
- Respond helpfully to children's trauma and grief in your role
- Identify accurately when the child needs specialist support
- Help to create possibilities for resilience and growth within your service
- Possess a toolkit of resources, networks, organisations, and supports for trauma and grief
